Formation: Longways duple improper
Music: 32-bar contra jigs and reels

Notes:

- 1) Interrupted square through is often called square through but there is already a figure called square through which doesn't have the balance in it. The timing here is right-hand balance to partner (4 beats) followed by 2 quick pull-bys (right with partner and left with neighbor, each 2 beats). The difference between 'rights & lefts' and 'square through' is that in square through you finish facing along the line and not facing back into the line.

Dance:

A1 1-8 Neighbor balance & swing
A2 1-8 Give & (*men*) take
B1 1-4 Ladies chain
5-8 Lines forward & back
B2 1-8 Interrupted square through
