

Maid In The Lane

Author: Michael Barraclough (2020)
Source: Michael Barraclough web-site
Formation: Longways Duple Proper
Tune: Specific Tune - Maiden Lane (Dancing Master Vol 1, 1st edn, 1651)
Music: A 2/2 Barnes: 1/72

Notes:

- 1) I wanted a dance to go to the magnificent rendition of Maiden Lane by Albireo on their double CD **Binary** (but not the original 3-couple dance which I feel is being over-used).
- 2) The CD is available from [Bandcamp](#) for £12.00 including postage and packing (within the UK). Digital downloads are also available from [Bandcamp](#).
- 3) The 'allemande' in C1/2 is the 'rock 'n roll style allemande. Take right hands with partner, balance forward & back, change with partner, the lady turning under the man's raised hand.
